ADVANCED TECHNOLOGY & PERFORMANCE

VtoL Mobile Power Station

To meet the basic living and entertainment needs of an RV customers, each socket is equipped with overload protection to effectively prevent the occurrence of dangerous situations such as short circuit or fire.

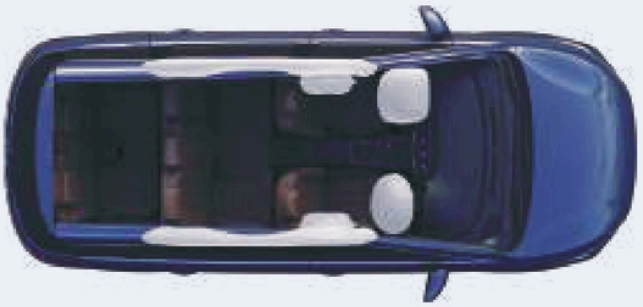

Ultra-Safe Blade Battery

During the puncture test, the blade cell was punctured and neither smoked nor caught fire, and the temperature only reached 30 to 60 °C. The blade cell cells also passed other extreme test conditions, such as compression, bending, heating up to 300°C in the furnace, and overcharging 260%, without causing a fire or explosion.

BYD INTELLIGENT DRIVING SYSTEM

6 AIRBAGS

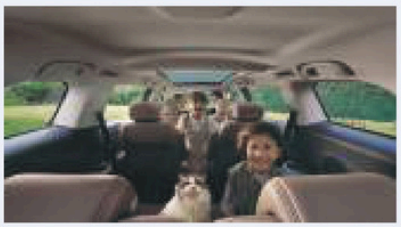

EVERYDAY *EXCITEMENT*

ADVANCED ENTERTAINMENT, COMFORT FOR ALL

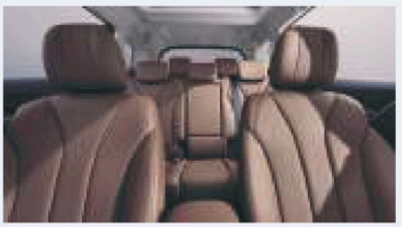

Aerodynamic Dragon Face Design.

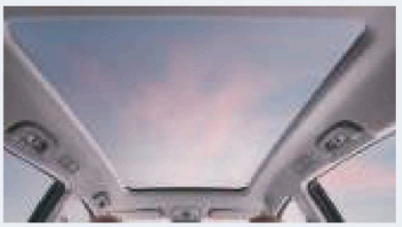

The sleek aerodynamic front design optimises the flow of air whilst also reflecting the simplicity and elegance of BYD's new generation design aesthetics with meticulous attention to detail.

A Family-Centric MPEV

Designed specifically for modern families, providing the option of spacious 6 or 7 seater layouts. The seats offer enhanced comfort with ergonomic design that fully conforms to the human body's curves. The front seats feature a wider and longer cushion for a more supportive, comfortable driving experience.

Panoramic Skylight

Bathe your cabin in natural splendor with the expansive panoramic skylight, transforming your driving experience into an open-air affair.

Spacious Cargo Area

Transform your vehicle into a cargo haven with the ingenious fold-down seats, capable of creating a completely flat load area.

Rapid Charging, Swift Power-Up

BYD M6 is capable of recharging in just 30 minutes, thanks to its impressive 170kW DC charging capacity. This swift and efficient process enables you to charge from a 30% state of charge (SOC) to 80%, providing you with an ample power top-up for maximum ease and convenience.

BYD M6 Intelligent Cockpit

The center console boasts a modern and elegant sculpted ball head shift, emphasizing the harmonious flow from front to back and adding a touch of refined beauty. The 12.8-inch rotating screen opens a new journey of smart travel.
